

Job Summary:

Do you enjoy working with people and are looking for a career that is constantly evolving and highly rewarding? If you are passionate about being the best you can be and prepared to go above and beyond your limitations, to be an advisory consultant, to build career portfolio of the job seekers in the market, this is the role for you! Join us, to become a part of our high-achieving, dynamic and supportive team and learn from the best in the talent industry.

What do we offer you?

We believe in cultivating an environment that breeds opportunity and encourages people to be the best version of themselves. Our culture is centred around making an impact. Our comprehensive recruiter training program allows you to learn terminology, job functions, and applicable practices within the information technology industry. And our supportive, feedback-rich environment provides for a structured and transparent career progression.

Responsibilities:

- Being a subject matter expert in the IT domain to help people reach their career goals. Aligning candidates' career aspirations with our client's hiring needs. This entails sourcing and screening candidates, coordinating the interview process, and facilitating offers and employment negotiations, all while ensuring a pleasant candidate experience.
- Proactively building relationships with people in the market through face-to-face, phone, and video call meetings.
- Pro-actively introducing candidates to clients to help uncover new opportunities for them.
- Staying abreast of recruiting trends and best practices in the IT space.
- Working with your team members to build a collaborative, supportive and friendly culture.
- Identifying opportunities to increase efficiencies and results for the team.
